Aikido in Fredericksburg is located in Spotsylvania just off Route 1. We are close to I95 between exits 126 and 118. Restaurants, hotels, and shopping opportunities are all within a five mile radius. Click [here](#) for a map.

Designed in Harmony with Nature

The program at Aikido in Fredericksburg is modeled after the Iwama Dojo in Japan, which emphasizes environmental stewardship, appreciation of the outdoors, and connection with the natural world. The dojo facility and grounds were designed using efficient and natural methods and materials, to provide healthy opportunities to interact with our surroundings. Aikido in Fredericksburg is a Virginia Green Facility.
